Learn Business From Business Leaders.

At most business schools, the teachers get their experience — in the classroom.

But at Walsh College, the faculty get their experience — in the boardroom.

So you'll learn the real world of business from successful business leaders. Which means you'll have the technological expertise and business savvy you need to get the job you've always wanted.

That's what makes your Walsh degree so valuable. And why hundreds of companies recruit at Walsh College every year. To find out how you can fit a Walsh business degree into your life, visit us on Walk-In Wednesdays.

CITY OF TROY

City of Troy Dedicated to Quality Service

Troy City government strives to create the best possible environment in which to live, work, raise a family and operate a business. Municipal government exists solely for that purpose. Some of our citizens are not familiar with all of our services. This directory is designed to raise awareness and help residents take advantage of those services.

This section contains a detailed list of City services with corresponding phone numbers. You will also find the names and phone numbers of your Troy elected representatives, appointed City officials, Troy's main facilities and recreation centers, and frequently requested numbers for other local community organizations and services.

For questions and problems that extend beyond the jurisdiction of the City, this directory includes names, addresses and phone numbers of your Federal, State and County government representatives. On the remaining pages, you will find other helpful facts and information about your City.

We hope you will find this directory useful and we welcome your questions and suggestions. If you feel that a response to a request you have made is unsatisfactory, please contact the appropriate Department Administrator (please find Administrator listing on page 16 of this directory) or contact the Community Affairs Department at 248.524.1147. Thank you very much for your support as we strive to maintain a high level of service for our residents.

Form of Government

The City of Troy operates under the Council-Manager form of government. Voters elect six members of Council and the Mayor for terms of four years. An elected member of the City Council shall not serve more than three terms as Councilperson. The Mayor shall not serve more than two terms as Mayor. Any service greater than two years plus one month shall constitute a term. They serve on a part-time basis and act as the legislative branch of government with the responsibility of formulating Municipal Policy. The Council enacts Ordinances, approves the City budget and appoints the City Manager who serves as Chief Administrative Officer of the City.

The City Manager is professionally trained in Municipal Administration. He is appointed on the basis of ability, and responsible for the day-to-day administration of the City Government. He appoints all department directors, submits the proposed budget to the City Council and enforces all City Ordinances.

The City Council meets two Mondays per month at 7:30 p.m. in the Troy City Hall, 500 West Big Beaver Road (check the city calendar or website for the schedule). Copies of the agenda for each meeting are available in the Council Chambers on the night of the meeting, at the City Clerk's Office the day of the meeting, at the Troy Public Library Adult Reference Desk on the Saturday before the meeting, or on the City's website at www.troymi.gov

Regular Council Meetings are cablecast live on WTRY (WOW, 10/Comcast, 53) and replayed: Wed. - 10 am, Thurs. - 7 pm, Sat. & Sun. - 4 pm & 10 pm. Meetings are also webcast live on the City of Troy website. A high speed Internet connection is recommended. Go to www.troymi.gov for more information.

The City of Troy Goals are:

- Enhance the livability and safety of the community
- Minimize the cost and increase the efficiency and effectiveness of City government
- Retain and attract investment, while encouraging redevelopment
- Effectively and professionally communicate internally and externally
- Maintain relevance of public infrastructure to meet changing public needs
- Emphasize regionalism and incorporate creativity into the annual strategic planning process

WASTE COLLECTION AND SERVICES

Weekly Trash Collection

- Routes begin at 7 am Monday - Thursday and run until complete.
- Place trash on the curb 5 pm or later the preceding day, no later than 7 am on pickup days, and remove cans no later than 10 hours after pickup.
- Collections are not made on the following legal holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day. When a holiday occurs on a weekday, pickup for the remaining days will be one day late (check City calendar for refuse delay days).
- If a collectable large item does not fit on the truck, it will be picked up within 48 hours. No phone call is required for this service.
- Collection guidelines are the same for apartments and condominiums. No loose materials should be placed in dumpsters.
- The combined weight of container and its contents must not exceed 60 lbs. Nothing thrown away should exceed 60 lbs. or exceed 3 x 3 feet.
- Trash cans should be 10 - 35 gallons (the exception is the 90-gallon Polycart can that may be purchased from Tringali Sanitation – 248.585.9120).
- Cans must have lids and handles.
- Place trash in sturdy tied plastic bags.
- Pack trash safely for handling, especially sharp items.
- Nonconforming items such as cardboard boxes, buckets, bushel baskets, etc. will be considered rubbish and disposed of along with their contents.
- Place trash on one side of the driveway and compost and recycling on the other side.
- Large items up to 250 lbs. like furniture and appliances, will be collected except for excessive amounts due to moving, flooding, or fire. Remove refrigerator/freezer doors.
- Carpet must be cut, rolled, and tied into 3 ft. sections, not exceeding 60 lbs.

Yard Waste

Yard waste, including grass clippings and leaves (plus wood chips, chipped Christmas trees, small pencil-thin twigs, garden vegetables, old potting soil, Halloween pumpkins, shredded bark, sod, weeds, old flowers, prunings, straw bales, play sand, old mulch, corn husks, and topsoil), but NOT branches, are picked up weekly on regular trash days from first Monday in April to the third Thursday in December. Yard waste must be packed according to one of the two following options:

OPTION 1 – Label a regular garbage can (up to 35 gal. capacity) with a “Yard Waste” decal (available at City Hall or by calling 258.524.3399).

OPTION 2 – Brown Paper bags designated for yard waste.

- Do not mix sticks or brush with your “soft” yard clippings (soft yard clippings are grass and leaves).
- Residents are encouraged to leave grass clippings and leaves on their lawns.
- On collection days place your “Yard Waste” labeled can and recycling bin on the opposite side of the driveway from your regular trash.
- Branches must be less than 2” in diameter, tied with heavy twine in bundles, and cut to less than 3 ft. in length and must weigh less than 60 lbs. Put out no more than five bundles each week.

Weekly curbside recycling pickup

Troy residents should put recyclables out every week at the curb in a City Recycling Bin for pickup on their trash day. Bins are available for \$10 from the Community Affairs Department in City Hall, 500 W. Big Beaver Road.

What goes in the bin?

Paper products

- Place all paper: newspapers, inserts, catalogs, junk mail, envelopes, computer paper, magazines, paperback books, telephone books, paper grocery bags, all paperboard boxes (cereal, pizza, shoe, etc.) in paper or plastic grocery bags.
- Place shredded paper in tied, see-through plastic bags.
- All cardboard – fold, flatten, or cut into 2' x 2' x 1' bundles and place inside, next to, or under the recycle bin.
- No hardcover books. Those can be donated to the Troy Public Library.

Plastic, glass and metal containers

- Only clean glass bottles (clear and brown) are accepted.
- All plastic containers are now accepted! Clean and remove the lids on all plastic containers.
- Metal cans, metal lids, pie tins, small scrap metal objects, metal clothes hangers, pots & pans, small metal appliances, silverware, pipes, and other metal objects: clean and place loose in bin.
- Empty metal paint cans and metal aerosol cans with lids removed.

Household batteries

- Place household batteries in a clear plastic bag. (No automotive batteries.)

Other Services

Hazardous household materials are accepted at the Troy SOCRRRA facility, 995 Coolidge, by appointment only at 248.288.5153: Paints, Garden Chemicals, Automotive Products, Batteries, Household Cleaners, Solvents, Insulin Syringes, Electronics (TVs, radios, phones, computers). Visit www.socrra.org

Troy residents may use the drop-off recycling facilities at SOCRRRA, 995 Coolidge, 258.288.5150 and Tringali, 33373 Dequindre, 248.585.9120.
